

**To Pastor Jack Miner
Bella Coola Pentecostal Church**

November 2011

We, the undersigned Nuxalk Hereditary Chiefs, invite the Pentecostal assembly into our traditional territory for them to apologize to our Nuxalkmc people in a traditional Nuxalk Potlatch hosted by the Snuxyaltwa Family on November 11 and 12, 2011. Our people have been practising their spiritual ways since the beginning of time. Our way of life will be presented to the people during this Snuxyaltwa Family traditional Nuxalk Potlatch. We remain concerned by the confusion caused by your Pentecostal assembly, speaking words that hurt our Nuxalkmc human rights to practise our spiritual ways as human beings here on Mother Earth. Our spiritual connection to the Creator is through our traditional dancing, songs and creation stories since the beginning of time.
